

LKSKI Bike Cage Terms and Conditions of Use

In order to provide the safest possible bicycle parking, this document outlines the terms and conditions for relevant to use of the LKSKI bike cage. Please note, the bike cage is meant to be used by individuals who work in the LKSKI. Signing this document constitutes acknowledgement that you have read and agree to the following terms and conditions:

1. Please dismount your bike before entering the parking area.
2. Walk your bike up and down the ramp. **Do not** ride your bike inside the parking garage at any given time.
3. The LKSKI bicycle cage should only be used as short term bike storage. Any long term storage is not permitted. Bicycles left for long periods of time may be removed.
4. You acknowledge that you are using the bike cage facility at your own risk. LKSKI nor St. Michael's Hospital shall be responsible for any lost or stolen bicycles and/or personal items, or any injuries sustained by you as a result of the use of the bicycle cage.

Failure to follow or meet the terms outlined will result in immediate and permanent loss of access to the LKSKI Bike Cage.

Please also be reminded that it is your responsibility as a user to keep the bike area clean. Ensure that the door is locked at all times, and report any damages to the bike cage or problem with the lock immediately.

I acknowledge and agree to abide by the terms and conditions noted above:
