

# iBEST Staff/ Trainee Code of Conduct Form

Collaboration is at the core of the iBEST and we are proud to offer our members and trainees with an open concept state-of-the-art laboratory.

We recognize the right of all iBEST members and trainees to learn and work in an environment that is professional and we are committed to contributing to a respectful relationship amongst all that visit, work and study at our labs. All aspects included in this Code of Conduct are here in an effort to cultivate a positive shared lab culture and believe that articulating our values and accountabilities provides us with clear avenues to correct our lab culture should it stray.

**We commit to enforce and evolve this code as our team grows. We require everyone associated with the iBEST to abide by this Code of Conduct and reserve the right to revoke access to any person that fails to fulfil the commitments outlined.**

If you have any questions, concerns and/or suggestions, please reach out to the iBEST Manager, Andreia Moretzsohn, at [amoretzsohn@torontomu.ca](mailto:amoretzsohn@torontomu.ca)

To download a copy of the Code of Conduct, please visit the link below:
